LOTERIA NAVIDAD 2023
Office: Calle Alejandro X11 18,
28145 Madrid, Spain.

Revitalization and compensation.

Dear winner,
We are pleased to congratulate you on winning the jackpot draws conducted in collaboration with the United Nations Framework Convention on Nations (UNFCCC) through computer surveys of over 3.5 million Internet user email IDs.

After practicing during the exam, it was discovered that you had not yet cashed in your winnings. You won €4,350,000 (Four Million, Three Hundred and Fifty Thousand Euros) from our discovery.

Computer email voting is promoted and sponsored by multinational corporations as part of their social responsibility to the citizens of the communities in which they operate. Your jackpot will fall into the European office in Spain as stated in the coupon played and your prize of €4,350,000 will be communicated to you by the regional office in Spain.

The application should be submitted before February 23, 2024, otherwise the money would be reinvested.

Please contact your foreign representative (MIGUEL SERRANO) of ZOHOLE ABOGADOS SL ESPAÑA, telephone: 34 612 223 813, email: miguelserrano4@gmx.com to arrange immediate processing of your winnings.
